EN/ The Opera is not only the object, but also what surrounds it. Madame is a sofa conceived as an architectural build where solid structures and open spaces create tensional emotions, a skilful play of volumes that fit into the surrounding spaces with balance.

FR/L'Opéra n'est pas seulement l'objet, mais aussi ce qui l'entoure. Madame est un canapé conçu comme une construction architecturale où les structures solides et les espaces ouverts créent des émotions, un jeu habile de volumes qui s'intègrent avec équilibre dans les espaces environnants.
