

## JUPITER / design Arkastudio

The taste of rediscovering that sense of balance and solidity that characterizes only the authentic classics. The surprise of experimenting with new forms, sensations and situations, going through a design evolution that elaborates a basic idea in infinite possible variations.

Jupiter is a model on the border between memory and contemporary, a point of reference around which the personality of the entire surrounding space rotates, an example of expressive power and soft, irresistible seduction.

*Le goût de retrouver ce sens de l'équilibre et de la solidité qui ne caractérise que les classiques authentiques. La surprise d'expérimenter de nouvelles formes, sensations et situations, en passant par une évolution de conception qui élabore une idée de base dans d'infinies variations possibles.*

*Jupiter est une œuvre à la frontière entre la mémoire et l'actualité, un point de repère autour duquel tourne la personnalité de tout l'espace qui l'entoure, un exemple de puissance expressive et de séduction douce et irrésistible.*

# JUPITER

With its wide shapes and volumes, Jupiter is a modular system of sofas and armchairs designed for larger spaces, in which it can express all its character and its multiple compositional possibilities. The feather down padding is covered with high quality fabrics, available in different colors. The base and the visible structure on the armrests are made of wood.

*Avec ses formes pleines et ses grands volumes, Jupiter est un système modulaire de canapés et de fauteuils conçu pour les grands espaces, dans lequel il peut exprimer tout son caractère et ses multiples possibilités de composition. Le rembourrage en duvet doux est recouvert de tissus de haute qualité, disponibles en différentes couleurs.*
